

# 2017 Calgary Tesla Award

**Attention all University of Calgary undergraduate/graduate and post-doc students**

**\$1,500** cash prize and **Substantial** in-kind support to get your idea off the ground

Seeking bold, and innovative ideas/ventures that positively impact humanity and the planet (in the spirit of Nikola Tesla)

## **What?**

This award is an **early stage innovator award**. This award is provided by the Calgary Tesla Society to honor Serbian-American scientist and inventor Nikola Tesla.

## **How?**

1. Register to participate as an individual or team.
2. Plan to make a presentation at a Skunkworks Innovation Clinic (held every Wednesday from 12 to 2 pm). *\*Must present in order to be considered for the award.*
3. Invited individuals/teams will present at the Innovation Reactor event.

## **When?**

**Every Wednesday until June 22, 2017** - Individual/Team Presentations

**September 13, 2017** – Innovation Reactor – Final Presentations and Prize Awarded
